**RE: Request for Active Status of the Special Exception Application for the Rte. 50 Medical Campus (SPEX 2007-0021)**

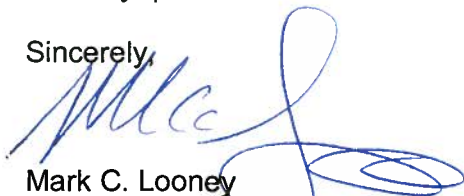

Dear Marchant:

On behalf of Highway 50 Real Estate LLC, the applicant of the above referenced special exception application, we hereby request that the application be reactivated.

As you will recall, first referral comments from Staff were generated for this case prior to its being placed in inactive status. We intend to respond to the first referral comments and provide revised special exception plans in the coming weeks. The necessary timeline extension letter and reactivation fee will be forwarded to you separately.

Thank you for your continued assistance with this application. Please feel free to contact me with any questions.

Sincerely,

Mark C. Looney
